

## POWER STRIP AUTOMATIC WIRE STRIPPER

**Article number: 100770**

Automatic wire stripper for a wide range of common cable types in domestic installations, even for problematic insulation such as silicone or the outer sheath of PVC or rubber flex cables (e.g. 3 x 0.75 mm<sup>2</sup>). Automatic adjustment to the respective conductor cross-section. Working range flexible 0.5 - 16 mm<sup>2</sup> (20 - 6 AWG), solid 0.5 - 10 mm<sup>2</sup> (20 - 8 AWG). Precise work thanks to optical length measurement (8 - 24 mm) for consistent stripping lengths when working in series with ferrules or cable lugs.
