

**ELECTRONICS NEEDLE NOSE PLIERS WITH CUTTING EDGE, STRAIGHT, LENGTH 150 MM**
**Article number: 100814**

Electronics needle-nose pliers with cutting edge, straight pattern, tip 2.5 x 1.5 mm, length 150 mm Precision electronics pliers with box joint, drop-forged design high-precision design made of special steel, easily self-opening due to double-blade springs, long service life, surfaces precision-finish ground, with ergonomic two-component handles (in ESD or 1000 V design on request)

| Attribute                    | Value            |
|------------------------------|------------------|
| Press mold                   | sonstige         |
| Surface protection           | verchromt        |
| Length                       | 150              |
| Material                     | Stahl            |
| Insulated                    | Yes              |
| Shape                        | gerade           |
| Handle cover                 | Kunststoffhüllen |
| Surface treatment            | sandgestrahlt    |
| ESD tested                   | No               |
| Handle design                | 2-Komponenten    |
| Weight                       | 100              |
| With wire cutter             | No               |
| Protective insulation 1000 V | No               |
| With impact protection       | No               |
| VDE-tested                   | No               |
| Head height                  | 60               |
| Head width                   | 2                |
| Length of the jaws           | 40               |
| Low-spark version            | No               |
| With stripping function      | No               |
| Gripping range               | 70 - 70          |
| With side cutter             | Yes              |
| Forged                       | Yes              |
