

**ELECTRIC CABLE CUTTER SET, MULTI-WIRE****Article number: 103003**

Electric cable cutter for stranded CU / AL cables of class 2 according to IEC60228 up to Ø 50 mm. The cable cutter is powered by an 18V Makita battery and it has an adjustable automatic return, so that the opening width is adjustable after a cut. The balanced weight distribution makes the tool ergonomic to hold and with the LED work light, a good view of the cutting area is guaranteed. Scope of delivery: - Electric cable cutter CimCut 50 - Carrying case - Makita 18V fast charger - Makita rechargeable
