

## DIGITAL MULTIMETER STANDARD (600 V)

**Article number: 111409**

Multimeter, AC/DC voltage measurement up to 600 V, AC/DC current measurement up to 10 A, resistance measurement up to 2 MΩ. Overvoltage category CAT III 600 V, CAT IV 300 V. Continuity test, diode test. Large LCD display. Protection class IP40, tested to EN61010-1, EN61010-2-033, EN61010-031. Batteries and fuse test lead included.

| Attribute   | Value    |
|---|----------|
| Display   | digital  |
| Multiple display  | Yes      |
| With screen backlighting  | No       |
| Max. Voltage measuring range AC                                 | 600      |
| Max. Voltage measuring range DC                                 | 600      |
| Max. Current measuring range AC                                 | 10       |
| Max. DC current measuring range                                 | 10       |
| Measuring range selection                                       | manuell  |
| Max. resistance measuring range                                 | 2        |
| Milliohm measurement with 4-wire technology (Kelvin connection) | No       |
| Lowest resolution resistance                                    | 0,01 Ohm |
| Temperature measurement RTD                                     | No       |
| Temperature measurement   | No       |
| Temperature measurement TC                                      | No       |
| Continuity test/diode test                                      | Yes      |
| Nominal test voltage 10 V                                       | Yes      |
| Nominal test voltage 50 V                                       | Yes      |
| Nominal test voltage 100 V                                      | Yes      |
| Nominal test voltage 250 V                                      | Yes      |
| Nominal test voltage 500 V                                      | Yes      |
| Nominal test voltage 1000 V                                     | No       |
