

SHIFT COAT BLUE, SIZE 56

Article number: 141302

Switching jacket blue EN61482-1-2 size 56, 7kA, made of Proban® fabric, protects against the thermal hazards of an electric arc, during welding work, in case of danger from heat and flames. Additionally with electrostatic discharge capability. Front and sleeves double-layered for higher protection against electric arcs. Stand-up collar and double row placket with extra wide Velcro closure for optimum closure and high protection. Proban® fabric remains flame resistant even after frequent washing.
