

## BOMBER MEGA-WHEEL TOOL CASE

Article number: 170074

Tool case Bomber Mega-Wheel-Double-walled case shells made of impact- and break-proof polyethylene, particularly insensitive to temperature and resistant to chemicals, 80 mm deep bottom shell with partitions for free interior division according to individual requirements, 2 removable panels with novel patented FLEXIPOUCH insert pockets for holding tools and small parts, spacious two-part document compartment, sturdy metal lid holders on both sides, 2 large ball-bearing wheels (Ø 98 mm!) for more stability and robustness. 4 rubber floor glides and corresponding recesses on the case lid make the cases safely stackable. The telescopic handle is inconspicuously integrated into the case bottom shell and thus does not interfere with normal case transport. The handle can be extended to an ergonomically comfortable 115cm. Solid handle for a secure grip, 2 sturdy key locks. For a safe stand, provide the stable feet, the handle is provided with soft rubber inlay, extra-large wheels, a document compartment
