

1,000 V VDE-TESTED DIAGONAL-CUTTING PLIERS, LAID-ON JOINT, 160 MM

Article number: 100526

VDE-approved power side cutter safety pliers with 1,000 V protective insulation. The pliers in the Diamant Plus series comply with the current IEC900, IEC 60 900 and VDE 0682/Part 201 standards. These strict safety guidelines stipulate 10 different quality tests for the insulation protection of the pliers. In addition to the type test, the independent VDE test center also carries out regular checks on production and storage. The pliers are tested for breakdown and flashover in a water bath at a test voltage of 10,000 V AC. This guarantees unit-tested safety. Optimized lever ratios, smooth operation and hand-friendly handle design, which enable effortless and ergonomic working for the hand, manufactured from the most suitable high-alloy tool steels, fully oil-hardened, all cutting edges additionally induction-hardened. High-gloss polished and chrome-plated surfaces. Power diagonal cutters 160 mm (6")

Length (mm)	170 mm
Width (mm)	46 mm
Height (mm)	26 mm
Weight (kg)	0,2 kg

Attribute	Value
Surface protection	verchromt
Length	160 mm
Insulated	Yes
Shape	Standard
Handle cover	Kunststoffhüllen
Surface treatment	sonstige
ESD tested	No
Protective insulation 1000 V	Yes
VDE-tested	Yes
Cutting edge length	7 mm
Head height	6 mm
Head width	28.5 mm
With stripping function	No

GTIN: 4021103005262
