

## RATCHET COMBINATION WRENCH SET T120 FLEX

**Article number: 112550**

T120 FLEX ratchet combination wrench set with finest tooth-  
ing for ratcheting loosening or quick tightening of screws  
and nuts in one go. 120 teeth stand for highest performance  
and minimum return angles already from 3°. Ring wrench ele-  
ment can be swiveled by 2x90° for working from above or in  
confined spaces. Left or right rotation by simply turning the  
wrench, with additional color marking. The open-end wrench  
tool with the individually developed flank geometry allows  
the wrench to be reset in the working plane - comparable  
to a ratchet function, no lifting of the open-end wrench is  
required! Ergonomic handle design with only 3 mm height for  
excellent power transmission. Made of chrome vanadium steel,  
specially hardened. Surface nickel-plated matt black. Set SW  
8/10/13/17/19 + tool roll bag.

Length (mm)	0 mm
Width (mm)	0 mm
Height (mm)	0 mm
Weight (kg)	0,61 kg

Attribute	Value
Surface protection	verchromt
Total number of tools	7
Packaging	Karton (Box)
Width across flats	8 mm - 19 mm
Number of ratchet ring wrenches	7

GTIN: 4021103066072
