

JOKARI® ALLROUNDER CABLE STRIPPER, 4 - 15 MM Ø

Article number: 120009

Jokari® cable stripper the all-rounder for all common round cables incl. cables for building installation, damp room, industrial, energy, telephone, solar, sensor, YMzK, halogen-free, data, coax, Cat (5, 6, 7), RG58/59, video cables as well as installation flat cables. A stripper for stripping flat and round cable, in DIY, craft or industrial applications. Stripping range: common round cables with PVC sheathing, rubber or hard plastic sheathing 4 - 15 mmØ such as NYM 3x 1.5 mm² or 5x 2.5 mm², installation flat cables up to 15 mm wide, flexible conductors 1.5 - 50 mm². Long cable lengths can be cut by the longitudinal cut. Reversible length stop for right- and left-handed use with parking position for free conductor bypass for stripping of any length, textured, anti-slip surfaces, TÜV/GS approved. Stripping a wire with different wall thickness of the outer sheath makes it difficult for any user not to damage the inner conductors, because the cutting depth of the blades as well as the contact pressure of the hand cannot be controlled exactly. 4-15 mmØ; length: 130 mm

Length (mm)	130 mm
Width (mm)	40 mm
Height (mm)	25 mm
Weight (kg)	0,067 kg

Attribute	Value
Adjustable notch depth	Yes
Round cut	Yes
Replaceable blades	No
Longitudinal section	No
Spiral cut	No
Stripping area Cross-section	1.5 mm ² - 50.0 mm ²
Stripping range Diameter	4 mm - 15 mm
Min. AWG size	6
Max. AWG size	sonstige

GTIN: 4021103200094
