

MAXI PIPE CUTTER, 6 - 42 MM Ø**Article number: 120420**

Pipe cutter MAXI for plastic pipes, with adjustment lever to change the cutting opening. Working range from 6-42 mm Ø The handy pistol shape makes it easy to shorten pipes that have already been laid. Pump movements trigger the automatic ratchet and thus guide the robust replaceable blade through the material to be cut with minimum manual effort. The blade symmetry enables exact right-angled, burr- and deformation-free cuts. Range of application: Hard and soft plastics, rubber hoses, Isoflex pipes, hard and soft PVC pipes. For hard and soft PVC pipes and cable ducts; also for fiber-reinforced plastic and rubber hoses.

The stability and cutting geometry of the blade guarantee a burr- and deformation-free, right-angled cut on round, but also on angular material.

Length (mm)	210 mm
Width (mm)	207 mm
Height (mm)	32 mm
Weight (kg)	0,953 kg

Attribute	Value
Length	210 mm
Cutting system	Schneideklinge
Pipe diameter	6 mm - 42 mm
Max. wall thickness	- mm
Suitable for aluminum	No
Suitable for copper	No
Suitable for steel	No
Suitable for stainless steel	No
Suitable for cast iron pipes	No
Suitable for plastic	Yes
Suitable for multilayer composite pipes	Yes
With internal pipe deburrer	No
With quick adjustment	Yes
Telescopic	No
Replaceable cutting blade	Yes
Number of cutting wheels	1

GTIN: 4021103204207
