

CABLE CUTTER CC-22

Article number: 129995

The CC-22 cable cutter is a compact and powerful tool for precise and distortion-free cutting of copper and aluminum cables. Thanks to its two-stage cutting range, it is suitable for sheathed cables up to 10 mm in diameter as well as for single wires up to 4 mm in diameter. This makes it ideal for installers and service technicians. The ergonomic design with an overall length of 160 mm and a weight of just 175 grams enables easy and controlled work, even in hard-to-reach places. The cable cutter has a large cutting edge for cables up to 10 mm in diameter and a small cutting edge for single wires up to 4 mm in diameter. It is suitable for copper and aluminum cables, delivers a clean, distortion-free cut and impresses with its compact, lightweight design. This makes it ideal for everyday use in the electrical trade. Twice as strong, precise and versatile, this cable cutter is a reliable tool for professional applications.

Length (mm)	162 mm
Width (mm)	50 mm
Height (mm)	17 mm
Weight (kg)	0,148 kg

Attribute	Value
Execution/actuation	sonstige
Handle design	2-Komponenten
Protective insulation 1000 V	No
VDE-tested	No
Total length	160 mm
Suitable for solid conductors	Yes
Suitable for stranded conductors	Yes

GTIN: 4021103299951
