

DOUBLE-SIDED ADHESIVE FOAM TAPE COLOR WHITE 25 MM X 33M

Article number: 162863

Double sided adhesive foam tape, a closed cell polyethylene foam, coated on both sides with acrylic based adhesive, equipped with release paper. Excellent resistance to pressure, easy to form, very good resistance to UV, aging, moisture, oils, solvents and plasticizers, strong instant adhesion. Use for a wide variety of heavy-duty installations, including vertical ones, indoors and outdoors instead of riveting, screwing and liquid adhesives, especially good for bonding even to inelastic materials with irregular, rough surfaces (wood, masonry, concrete, paints): Surface mounting of cable ducts, cable clamps, switch boxes, attachment of badges, displays and signs, also made of and on plastic, shock-resistant and vibration-damped soft mounting of assemblies (e.g. printed circuit boards, control panels, fittings), effective reduction of sound transmission (rattle protection), positive seals against dust, water, steam, wind and light, also for closing air outlets for energy saving. Execution in the color white; WxL: 25 mmx33 m.

Length (mm)	220 mm
Width (mm)	25 mm
Height (mm)	25 mm
Weight (kg)	0,417 kg

Attribute	Value
Length	33 m
Material	Schaumstoff
Color	weiß
Fluorescent	No
Photoluminescent	No
UV-resistant	Yes
Width	25 mm
Strength	3 mm
Waterproof	No
Magnetic	No
Transparent	No
Double-sided	Yes
Self-welding/amalgamating	Yes
