

SPIRAL TAPE, BUNDLE- Ø 9 - 70 MM, BLACK**Article number: 186224**

Spiral tape for cable bundling and cable protection in cable assembly, the electrical industry and in control cabinet, control and plant construction. For economical and clean bundling and laying of cables, wires, cable harnesses and wire bundles. Also suitable for protecting cables from abrasion or other damage and for stiffening cable harnesses. No material waste due to individual cutting to the required length. Well adaptable to different bundle diameters, reopenable and reusable. With spiral tapes wound with spacing, material consumption is lower, cable bundles are more flexible and branching of one or more cables at any point is possible without any problem. Ideal for wrapping cable bundles in a portable way. Made of polyethylene (PE), temperature resistant from -20 degrees C to + 65 degrees C, halogen-free. Each 1roll is equal to 10 m length, bundle diameter 9-70 mm, coil width 13, 9 mm, outer diameter 12 mm, black.

Length (mm)	380 mm
Width (mm)	270 mm
Height (mm)	30 mm
Weight (kg)	0,297 kg

Attribute	Value
Material	Kunststoff
Material quality	Polyethylen flammhemmend
Color	schwarz
Execution	Spiralschlauch
Halogen-free	Yes
Transparent	No
Operating temperature	-20 °C - 65 °C
Bundle diameter	9 mm - 70 mm
Nominal diameter	12 mm
Spiral width	13.9 mm
Short-term operating temperature	- °C
Wall thickness	- mm

GTIN: 4021103862247
